

# PRINTING SYSTEMS FEEDERS & STACKERS

## SELF ALIGNING FEEDERS & STACKERS

We offer the most robust and user-friendly feeders and stackers for digital envelope press on the market. Our precision feeders and stackers are easy to operate, yielding greater production with less downtime.

Our Pull Side Guide Register technology maintains your image's location seamlessly across various envelope dimensions in a single run, minimizing stoppages for manual adjustments.

We offer the flexibility to accommodate a variety of media sizes:

Documents up to 26" long  
(from the envelope feeder)  
Envelope Size: 2.5" x 4.5" to 13" x 26"  
Paper Size: Min. 3" x 5"; Max. 13" x 52"  
Paper Weight: 35lb. cover-168 lb.  
(52-450 gsm)
