

AUTOSLIP AN INDUSTRY FIRST

Autoslip System is doubling customers packing station throughput using Autoslip's one-step fold, insert and apply system.

The Autoslip fully combines your packing slips, packing inserts, shipping and return labels in one transaction, with up to 10 A4 or letter sized pages. By automating your packing insert processes, you increase packing station throughput that results in reduced labor costs associated with manual transactions.

KEY FEATURES

- Packing slip can be applied to top or side of your carton
- Uses standard A4 or 8.5" x 11" photocopy paper with a low cost laser printer
- The packing slip can also double up as the shipping label, without needing a separate printer/applicator
- Print in simplex and/or duplex
- Rates up to 1200 per hour (20 per minute)
- ROI typically in less than one year

AUTOSLIP

AN INDUSTRY FIRST

Technical Specifications:

System

- Microprocessor Controlled
- Dimensions: L 124" x W43"
315 cm x 109 cm (90° Autoslip Only)
- Speed: Up to One Packing Slip Pouch every 1.5 seconds in a batch mode
Speed with applicator up to 20 cp m
- In-line Barcode Reader for Order Control
- Power Requirements: 90-240V / 10 -15A (printer no included)
- Air Requirements: 80 psi
- Duty Cycle: Up to 180,000 packing slips/month

Optional Interface Connections

- PLC Interface, RS232 Interface, and External TTL

Optional Features

- Applicator:
 - Side apply
 - Top apply
- Barcode Document Verification

Optional Literature Feeder

- Insert additional Card, Pre-Folded Document or CD into Packing Slip Pouch

Accumulator Sorter

- Allows multiple printed orders to be held in the system queue

Printer

- Printer Type: Simplex/Duplex
- Printer Speed: Up to 50 ppm
- Dimensions: from 24" x 27" (61 cm x 68.5 cm)
- Other Printer Features & Options: Printer Dependent

Packing Slip Pouch

- Standard Pack Slip Pouch Size 5.87" x 8.66" (14.9 cm x 22.0 cm) (Other sizes available)
- Number of pages/pouch (20lbs paper): -1-10 sheets, film size dependent
- Stacking of multiple pouches in packages of 3 is possible
- Materials Supported: Paper, 20 to 24 (9.07 x 10.89 kg) paper
- Paper Size:
Letter 8.5" x 11" (A4) (21.59 cm x 27.94 cm)
Other sizes of paper available through custom developments
